WINTERGREEN SPA'S MONTHLY SPECIALS NOURISH SKIN IN EVERY SEASON

Fall Treatments Pamper and Prepare Skin for Winter Stress

WINTERGREEN, Va. (Sept. 9, 2015) —Wintergreen Spa at Wintergreen Resort offers a monthly skin care plan designed to keep skin nourished and looking its absolute best. Seasonal changes bring different skin care issues and Wintergreen's knowledgeable spa professionals have the correct treatments and products to address all skin types.

As October days get shorter and autumn shows her colors, a treatment full of nature's healthful harvest is offered. Wintergreen Spa's Pumpkin Chai Organic Massage is rich with nourishing pumpkin seed oil that contains antioxidants such as beta carotene and vitamins A, C and E. This oil is coupled with organic sunflower and JoJoba oils, which are a source of vitamin E, omega-6 fatty acids and antioxidants that fight sun damage and the signs of aging. The October treatment is 50 minutes, and priced at \$109 on weekends and holidays; \$99 during midweek.

November is Spa "ahhh" Month at Wintergreen Resort. As fall bids adieu and prior to time-consuming holiday preparations personal time is a prerequisite. Throughout November all 25-minute refresher services are reduced to just \$49 each, weekends, holidays or weekdays, including refresher massages, traditional facials or back facials.

Wintergreen Resort registered overnight guests receive unlimited access to the adjacent Aquatics & Fitness Center with indoor pool, seasonal outdoor pool, outdoor Jacuzzis and fitness room. Day guests of the Spa may use the Aquatics & Fitness Center for a \$25 access fee with the same day purchase of a full-length spa service.

Wintergreen Resort accommodations are ideal for girlfriend getaways, couples, and families. Options include 230 villa-style condominiums and rental homes, from studio suites to seven-

bedroom homes, each offering a fully equipped kitchen, and comfortable living area, and most come with fireplaces and a balcony or deck.
