SPRING SPECIALS ARE EASY ON THE BUDGET AT THE SPA AT WINTERGREEN

WINTERGREEN, Va. (March 14, 2017) —Ready to freshen up winter skin and prepare for spring? Wintergreen Spa at Wintergreen Resort offers rejuvenating treatments face and body with April seasonal specials that won't break the budget or take too much time. Indulge in a spring fling of special treatments sure to sooth in the resort's Blue Ridge Mountain setting.

During the month of April, Wintergreen Spa offers 25-minute seasonal specials priced at just \$49, including fabulous mini-facials (face or back) and body massage. Each mini-spa treatment booked Monday through Thursday in the month April will receive access to the Wintergreen Aquatics and Fitness Center, with outdoor Jacuzzi hot tubs, steam rooms, saunas, indoor pool, and fitness equipment, adjacent to the Spa.

There are, of course, longer treatments should the need call for total indulgence:

The always-popular Vanilla Orange Remedy starts with a vigorous brown sugar full-body scrub that invigorates, while exfoliating, and is followed by a Vichy shower and luxurious orange oil application. Hot stones gently placed on the back complete the 50-minute service, which is \$109 midweek and \$119 on weekends and holidays.

A Gardener's Hand Renewal massages away damage with triple-acting vitamin exfoliation and an essential oil masque. This relaxing and therapeutic treatment is followed by a full nail service. This 50-minute service is \$64 midweek and \$69 on weekends.

Wintergreen Resort accommodations are ideal for girlfriend getaways, couples, and families. Options include 230 villa-style condominiums and rental homes, from studio suites to nine-bedroom homes, each offering a fully equipped kitchen, and comfortable living area, and most come with fireplaces and a balcony or deck.
